Dear Sirs:-

I have received your letter of April 26th asking at what price this Society would supply Spink's Numismatic Circular for April 1909.

This Society has no copies of Spink's Numismatic Circular excepting the set in its own library. You can, no doubt, procure a copy by writing to Messrs. Spink & Sons, 17 & 18 Piccadilly, London, W., England.

Very truly yours,

Director.
